# SEEK FUNDS TO SEND DOOMED BOY TO COAST

The Gettysburg Association of Clubs Friday night at a meeting in the Veterans of Foreign Wars Home, E. Middle St., voted to head up a county-wide drive to raise funds for a trip to Disneyland for a local youngster ill with leukemia.

The group set a goal of \$1,500 for the campaign which they hope to complete by April 1 after hearing details of the desire of the 14-year-old boy who weighs 85 pounds to visit the famed children's center in California.

Irvin Selhamer, president of the local association, was named as chairman for the campaign. Letters will be sent out throughout the county seeking donations for the fund.

**TIME RUNNING OUT**

The child to be aided is a Gettysburg boy suffering from leukemia. He is, according to the reports of physicians as presented Friday night, in the last year of his life. Physicians reported they could "strengthen him" sufficiently for the trip to California and return but warned that the trip must be made "soon." Medical care will also be available in California through arrangements that can be made from here if the trip is arranged.

At the meeting Friday night it was announced that approximately \$400 has been raised or pledged so far by different groups. A collection taken at the local Lions Club last Monday provided \$78 and a number of other clubs have promised donations, according to Friday's report.

The \$1,500 figure set for the campaign in designed to provide plane fare to and from California, cost of three days' stay there and visitation to Disneyland plus possible some medical care there, for the child and his parents. If a lower amount is received the group hopes at least to be able to send the child and his mother on the trip.

**SURPLUS TO CANCER GROUP**

The group hopes however that contributions will far exceed the amount needed for the trip to fulfill the greatest wish of the dying child. Anything above the amount needed for the trip will go to the local Cancer Society, which has been aiding the child, according to the reports Friday night.

Selhamer, a resident of 303 N. Stratton St., was also designated as treasurer to whom checks should be sent. A committee is to be named to open the letters and handle the keeping of books for the drive.

The group voted on a flight to the west coast for the child and his parents when reports showed that the cost was only slightly more than train-fare. The committee felt that a flight would be less tiring.

# EQUITY ACTION FILED AT YORK

York County Common Pleas Court at York was asked Friday to restrain Edward F. Brown, rear 4300 Baltimore St., Hanover, from working for a Hanover dry cleaning firm, Bowman's Cleaners.

Acting on a complaint in equity filed by Bizzzy Bee Cleaners, Littlestown, Judge Robert I. Shadle set 10 a.m. April 5 for a hearing on whether a preliminary injunction should be granted against Brown.

Bernard J. and Herta Nickey, trading as Bizzzy Bee, assert in their complaint that Brown violated a November 8, 1961, contract, in which he agreed not to engage in the dry cleaning business within a 100-mile radius of Littlestown for a five-year period if he left Bizzzy Bee.

The complaint avers that Brown's employment terminated January 1, 1962, and that on February 1 he went to work for Bowman's Cleaners which serves Adams, York, Cumberland and Dauphin counties. Bizzzy Bee contends Brown is working within a 100-mile radius of Littlestown.

## WRITERS COME HERE FROM N.Y. TO SEE SHOW

With its creators in the near capacity audience, "Mr. Crane of Sleepy Hollow" scored a big hit Friday evening in the Gettysburg High School auditorium as the cast of 76 presented the two-act operetta for the second and final time.

A trio of writers who completed the musical comedy last December drove here from New York City to witness the performance and called it "definitely one of the best" presentations of the operetta they had seen in more than a score of towns and cities from coast to coast.

Miss Elsie Simmons, who wrote the lyrics; Larry Wagner, who composed the music, and Al Simmons, brother of Elsie, who wrote the book "with a few suggestions from Washington Irving," said they were greatly pleased with the performance here Friday evening. "It was very fine, a wonderful job," said Mr. Simmons, who said the trio spends many week-ends seeing performances of their very popular operetta in many parts of the nation.

**1ST COLLABORATION**

They were hoping to be able to stay over for a performance in York this evening and next weekend will be in New Jersey to see the same show again. They have been to California and Texas for other performances. All are writers in their own fields and are working currently on another show. This was their first collaboration on a high school operetta.

The show combined catchy music, a generous helping of humor, attractive costumes and stage settings and bright dance routines to come up with one of the finest musical comedies ever presented at the local school in the opinion of many who saw the show, given here first on Thursday evening.

Top roles in the show were handled well by Barclay Collins as Tom Bones, Lloyd Gilbert as Ike Crane and Guy Weikert as Jimmy, a student. There were 16 musical numbers with a 13-piece dance band providing the accompaniment for song and dance routines.

Miss Ruth McIlhenny was dramatics director for the show. Mrs. Betty Hinkley directed choreography and Paul W. Grove was music director.

Student committees assisted with the show.

## Street Fighting And Other Violence Rocks Guatemala

**By MORRIS W. ROSENBERG**  
GUATEMALA (AP)—The army held this riot-torn Central American capital under virtual martial law today as opposition mounted to President Miguel Ydigoras' conservative regime. Army troops chased two guerrilla bands in the hills.

The army seized control of the city on Ydigoras' orders following four days of street fighting and other violence that left 20 persons dead and more than 200 injured. More than 250 persons reportedly have been arrested.

The army declared it was ready to take extreme measures to put down students protesting what they called fraud in last December's elections that returned Ydigoras' conservative party to control of Congress.

**CLAMP CURFEW**

Heavily armed troops took over key communication and transportation points and patrolled the streets. An 8 p.m. to 5 a.m. curfew was clamped on the city.

Antigovernment strikes spread and businesses shut down. Commercial life was nearly stopped.

The army also searched for two small, rebel bands in the mountains in northern and northeastern Guatemala.

One group is led by Carlos Paz Tejada, who was defense minister under former pro-Communist President Jacobo Arbenz, ousted in a 1954 coup. Paz Tejada issued a manifesto early this week urging the people to overthrow Ydigoras. Arbenz was last reported in Havana as a guest of Ydigoras' arch foe, Cuban Prime Minister Fidel Castro.

**CASTRO HAILS REBELS**

Castro's Havana radio hailed the Guatemalan insurgents, declaring, "We salute our beloved brothers of Guatemala who are covering themselves with glory fighting for their democratic rights and national liberation."

Informants said the other guerrilla band was composed largely of

## FARMERS HEAR BEEF RAISING DISCUSSION

Fifty farmers from Adams, Franklin, York, Cumberland and Huntingdon counties Friday afternoon completed a two-day "school on beef management" held at the West St. bank under sponsorship of the state Agricultural Extension Association. The meeting was one of six sessions held throughout Pennsylvania.

Speakers discussed subjects relating to feeding, health, housing and marketing of beef. They said that while the nation's beef production is at its highest level at the present time, per capita beef consumption is still rising and "the future looks fairly good" for the beef raiser.

With the problem of beef production being that of raising the most good beef with the least amount of feed, the beef raisers were told to look for developments in crossbreeding to help "produce an animal combining the strengths of the various breeds."

Dr. Samuel Guss state agricultural extension veterinarian, was in charge of the discussion on health for beef animals. Axel Carlson and Lee Snyder, agricultural engineers for the extension service spoke on barn layout and materials handling, storage, manure removal etc. Thomas King, head of the extension's animal husbandry department, and Ben Morgan and Les Burdette, extension animal husbandry specialists were among speakers at the two-day meeting. All are from Pennsylvania State University.

## TO HEAR ABOUT MILK QUOTAS HERE APRIL 6

Frank Coffelt, Gettysburg R. 2, district chairman, today announced preliminary plans for a meeting April 6 for the Biglerville and York Springs locals of the Interstate Milk Producers Cooperative to hear reports on the Federal government proposed supply-management program.

Speakers at the meeting April 6 at a site to be selected will give details outlined at Philadelphia at a Northeast Dairy conference last week at which U. S. officials described to representatives of 53 dairy organizations such plans as allotments to each dairy farmer which would cut his milk production to possibly 91 percent of his base 1961 production.

Coffelt said the farm organization representatives were told that the government will have to buy 400 million pounds of butter, 200 million pounds of cheese and a billion and a quarter pounds of dried milk products in 1962 if there are no controls.

The farm representatives were told that bases and allotments are necessary in order to cut government price supports of dairy products from the \$440,000,000 spent this year to the \$300,000,000 called for in the program "if we are to keep present price levels."

At the meeting, federal officials said there would be no objection to farmers transferring milk from one farm to another if one was over its quota and one under it. "It is conceivable that a cooperative could set up a system to transfer bases or allotments among the members," Coffelt said.

## ART STUDENTS MAKE POSTERS FOR CONTEST

Posters to be entered in the contest being held in connection with the civic project "Campaign Gettysburg" are being completed by the art students in the public schools.

The drawings are being made on the theme of the "Campaign Gettysburg" which is "To Create Our Historic Image." Students have been allowed a wide latitude in their selection of the events or traditions which have been most impressive to them in their conception of the town's historic profile.

Because of the recent heavy schedule of extra curricular activities and some school interruptions, students in the art classes have not had as much time to spend on the posters as at other periods in the year, but teachers have been encouraged by the response under these conditions.

**TO DISPLAY POSTERS**

Posters will be collected next week and will be displayed in downtown store windows of these businesses which are taking part in the "Campaign Gettysburg."

Judges for the contest will be Mrs. Mark A. Eckert, Mrs. Henry M. Scharf, Roberts Morris, Gettysburg Times artist; Mrs. Doris Eckhart and Richard Krick. The latter two judges are art teachers in the elementary schools.

The posters will be exhibited in the store windows for a week or 10 days and will then be judged. Nominal cash prizes will be awarded. The posters will be judged in four groups: Seventh, Eighth and Ninth Grades and in the fourth group, the Tenth and Eleventh Grades and some of the high school seniors.

When the winning posters have been selected they will be placed on display in the Gettysburg National Bank and the First National Bank for a limited period.

Reproductions of some of the winning posters will be published in The Gettysburg Times, which is participating in the "Campaign Gettysburg" undertaking.

## Israeli, Syrian Forces Clash At Sea Of Galilee

Each side claimed a victory in the running frontier battle that involved tanks and artillery as well as the Syrian and Israeli air forces.

An Israeli army spokesman claimed at least 30 Syrians, including a company commander, were killed as Israeli forces launched a hit-run invasion of Syria, knocking out gun positions. He placed Israeli troop losses at five dead and six seriously wounded. The Israeli force also captured a large amount of Syrian arms and ammunition, the spokesman said.

## FILES ACTION AGAINST 3 IN LOCAL COURT

A Biglerville man who was permanently paralyzed in an automobile accident May 25, 1960, eight miles south of here on the Littlestown Rd. today brought suit in Adams County court against both the persons in whose car he was a passenger and the driver of the other vehicle in the crash.

Clifford E. Kennedy, E. Hanover St., Biglerville, in the action in trespass brought by him against W. H. Dixon, 40 W. King St., Littlestown, and Francis Jr., Patricia A. Althoff, Littlestown R. 1, alleges that the accident "caused a compressed fracture and dislocation of the cervical spine at the fifth cervicovertebral level which caused an acute compression of the spinal cord in the region of the cervical canal." As a result, he has acute paralysis in all four extremities and through the body from the shoulders down. The complaint filed for Kennedy by Attorney Daniel E. Teeter states that he is unable to move his legs or hands, but does have a slight movement of the arms, which permitted him to place an "X" on the suit brought in his name.

Kennedy was a passenger in a car being driven by Mrs. Althoff, with her husband, Francis Althoff Jr. and Kennedy as passengers. According to the complaint, Dixon made a "U" turn in the path of the Althoff car from a halted, or slow moving position along the side of the road.

Kennedy listed hospital expenses totaling \$6,433.72 as a result of the accident. Of that amount \$5,235.59 covered the period from May 25, 1960, to January 7, 1961 when he was continuously a patient and generally under skeletal traction at the hospital and \$1,147.13 representing return trips to the hospital about every three weeks continuing into this month. The regular returns to the hospital will continue, he alleges.

Also listed in the complaint as expenses caused by the accident are \$969 in physicians' bills, \$100 for drugs, approximately \$2,000 in nursing care, and loss of wages at \$50 a week.

He asks damages "in excess of \$5,000."

# CASTRO SAYS PARTY CHANGE IS NECESSARY

KEY WEST, Fla. (AP)—Prime Minister Fidel Castro charged today that Cuba's revolutionary leaders were abusing their authority, mistreating the public and creating general chaos.

Sweeping changes must be made, he said.

"The revolution needs to revise all the revolutionary nuclei and all the political apparatus of the revolution to do away with the errors and abuses and to gain good performance," he declared in a televised address monitored here.

"We have to stop tolerating poor performance and errors," he said. "Those who are useless will not continue in their positions."

## HIT ONE GROUP

Castro singled out no individuals but he had particularly biting criticism for the revolutionary defense committees. These groups—with representatives in every city block, in all factories and on farms—are responsible for watching their neighbors and coworkers for signs of counterrevolutionary attitudes.

His sharp denunciation came during a postmidnight speech, his second attack of the week on his own regime. He ordered rationing Monday and criticized Cuba for not meeting food production goals.

The prime minister said he had talked a few days ago with several women who complained they had been humiliated in public and treated as counterrevolutionaries when they actually supported the regime wholeheartedly.

"We have to increase public vigilance against errors and injustices," he shouted. "No one has the right to commit injustices and he who does so is an enemy of the revolution."

## EQUALITY OF SEXES

Some people, he said, "think they are more revolutionary than anybody and have the right to mistreat and humiliate others. There are people who have created chaos in the organizations of the state with their mania for putting and taking and their abuse of authority."

Castro addressed graduates of a school for women who will train former domestic workers in other skills.

He called for complete equality of the sexes—"a day in which the women may work equally with men and have the same opportunities. Only without privileges, without sectarianism of any class can the errors, injustices and wrongs of the political apparatus be rectified."

Castro's address climaxed a week during which he surged back into the limelight after a period of apparent retirement that brought rumors he was being eased out as Cuba's leader.

# PRESSURE U.S. NOT TO MAKE TESTS IN AIR

By JOHN M. HIGHTOWER

GENEVA (AP)—The United States appeared almost certain today to come under heavy pressure from several nonnuclear nations in the disarmament conference to suspend its plans for a series of nuclear weapons test in the atmosphere starting next month.

Brazil has taken the lead among the eight-nation middle bloc of the conference in arguing that, even without an international inspection system, atmospheric tests can be stopped now because they are detectable over great distances.

At the heart of the developing struggle is President Kennedy's announced plan to go ahead with atmospheric tests in late April unless Russia signs a test-ban treaty providing for international inspection.

## OPPOSE INSPECTION

Soviet Foreign Minister Andrei A. Gromyko told U.S. Secretary of State Dean Rusk privately last Sunday that the Soviet government would not accept international inspection for a test ban. Soviet Ambassador Semyon K. Tsarapkin announced the position at a news conference Friday. He contended national inspection systems were sufficient to police a prohibition on testing.

U.S. officials regarded the Soviet declarations as a public rejection of Kennedy's terms. But they said they would not accept it as Moscow's last word on the issue. The President's offer remains open should the Soviets change their policy.

# POLICE SEEK ESCAPEE, 27

LEBANON, Pa. (AP)—Lebanon County police pressed their search today for a Conellsville man who fled to freedom after being transferred from prison to a hospital. The escapee, Jess Raymond Walters, 27, a former convict, was described as dangerous.

Walters, arrested on charges of passing bad checks, made his dash to freedom Friday from the Good Samaritan Hospital in Lebanon. When last seen, he was dressed in prison garb with large white "WS" sewn on the knees of his blue denim trousers and the back of his blue shirt.

Palmira Police Chief William L. Wert gave this account of the escape: "After being arrested at the Lebanon Valley Shopping Center Friday, Walters was locked up in the Palmira jail where he immediately complained of being ill. He then was transferred to the Lebanon County Prison for a check-up."

A physician said he believed Walters had an asthmatic attack and recommended hospitalization. It was while a nurse was looking for an oxygen tent, that he fled. Wert said Walters had been on parole at the time of his arrest.

## CARMEL QUINN PAYS TRIBUTE TO ST. PATRICK

By JOY MILLER  
AP Women's Editor

NEW YORK (AP)—Like other expatriates from Ireland, Carmel Quinn expends a great deal of energy paying tribute to St. Patrick.

In television appearances and concerts around the country, she sings only Irish songs, authentic or Tin Pan Alley. She doesn't quibble as long as people like to hear them. And they do—at Chicago's Opera House, Boston's Donnelly Memorial Theater, New York's Carnegie Hall, a stag congressional party in Washington attended by the President.

In her Dublin accent, Carmel says: "I've noticed people are sentimental about the Irish. There are lots of German people, for example, at my shows. And they love the Irish songs. People will smile when they hear you're Irish. But it's not in an unfriendly fashion—it's good humored."

### FAIRY BELIEF

Carmel, who came to this country eight years ago, has kept her affection for the fairies and little people of Ireland. "I wouldn't like to say I didn't believe in them," she puts it cannily. "You never disturb where you know they live. A fairy ring, you know, is a beautiful circle of trees; a farmer would never think of plowing it up."

She goes home every year to Dublin to see her sister and two brothers. "I'm the only one of my family who traveled. They all sing well, but they didn't want to sing professionally as I did. I never had any voice training and it's too late now, the harm's done."

### LOVED SINGING

She quit school at 16, took odd singing jobs and in between she sold shoes, waited tables, was a cashier. "But anything except singing was sheer agony," she recalls.

Eventually she married Bill Fuller, a ballroom operator for whom she worked. He now owns Irish-American ballrooms in Chicago, Boston and New York.

During the year when Carmel is not singing at posh nightclubs, she's being very domestic in a red-brick, green-roofed house in Leonic, N.J., a 30-minute drive from New York. She and Bill—they call each other mummy and daddy—have three little leprechauns at home, Jane, 7, Michael, 5, Terry (a girl), 3.

## 3 Provide Thrills In KC Track Meet

CLEVELAND (AP)—Little Tom O'Hara, big John Thomas and a handsome Finn who wasn't even invited to compete provided the thrills in the final indoor track meet of the season Friday night. O'Hara, a 5-foot-8 sophomore from Loyola of Chicago, ran the fastest indoor mile in history on a 12-lap track (4:02.8) and broke Wes Santee's meet record of 4:04.6 in the 22nd annual Knights of Columbus meet.

Most of the 9,622 fans at the Cleveland Arena stayed to watch Thomas from Boston University try to clear 7 feet, 2 inches in the high jump. Thomas couldn't quite make it, but his 7-foot jump erased the meet standard of 6-9, set in 1953 by Ken Wiesner.

The happy Finnish star who caught the fancy of the crowd was pole vaulter Risto Ankiö, who cleared the bar at 15-7. Ankiö hadn't done much better

## 4 FROM STATE ON PLANE LOST OVER PACIFIC

Salada, a native of Troutville, near DuBois, completed his 10th year in the Army on March 12 and had re-enlisted for four years last May.

He was in Erie last week, visiting his family and his wife, Sato-ko, whom he met and married in Japan during a seven-year tour of duty.

Mrs. Salada said she last saw and spoke to her husband at the Port Erie Airport on March 9 when he flew to California on the first leg of his trip to South Vietnam.

Sheard, a graduate of Dickinson College who entered the Army 18 months ago, was headed to his base in the Philippines for security duty. He had been in Radnor Township to attend his mother's funeral. His father is vice president of the Title Insurance Co. of Pennsylvania, which has headquarters in Bryn Mawr. The father said he had received a telephone call from his son just before the plane took off from Guam.

Miss Righter, a graduate of the Cleveland High School in Queens, N.Y., has been with Flying Tiger for six years.

## Irish Observe St. Patrick's Day Despite Dublin's Trouble

By COLIN FROST

DUBLIN, Ireland (AP)—Labor troubles plagued Ireland this St. Patrick's Day, but they didn't stop the Irish from dreaming up the biggest, brightest holiday ever.

Still short of matches as a result of a two-month wage strike by workers at a local match company, Dublin now faces a walkout by employees of the state-run television network unless they get a 20 per cent pay hike.

The walkout at the Friendly Match Co. was settled Thursday, but the new supply is still in the works. If the saint himself came marching down O'Connell Street and wanted a smoke, he'd need a miracle to find a light.

### QUIT ON FRIDAY

Still more industrial confusion was caused by the holiday falling on a Saturday. Some 500 stevedores walked off Dublin docks Friday saying they were treating Friday as Saturday and taking the rest of the day off.

But Dubliners took their troubles in strides and concentrated on making this feast day for Ireland's patron saint one to remember.

The highlight of the program was a mammoth parade through Dublin with 15 bands blaring and dozens of festooned floats. Also on the docket was a packed sports program with hurling, Gaelic football, racing and a soccer match.

### FEW SHAMROCKS

Bad weather has caused a shortage of shamrocks that normally blanket the land, but street vendors managed to scare up small sprigs and were peddling them at three shillings—42 cents—a bunch.

The souvenir shops had plenty of plastic shillelaghs—made in Hong Kong—to catch the tourist trade.

For Ireland, St. Patrick's Day is above all a religious festival. This year it marks the end of the Patrician Year celebrations—a year of religious dedication marking the 15th century of St. Patrick's death.

### CARRY BACK TO BE IN BIG TEST TODAY

MIAMI, Fla. (AP)—This is the day for Dorchester Farm Stable's Carry Back to prove he belongs among the leaders in the handicap division and his handlers couldn't have picked a tougher race.

The 1961 champion 3-year-old goes against seven other horses and a speedy mare in the \$100,000 Gulfstream Park Handicap. He will meet two of the best from both coasts in the mile and a quarter jaunt.

Carry Back will shoulder 126 pounds, sharing top weight with Albert Ranchen's Four-and-Twenty, winner of four races at Santa Anita in five outings this winter.

Another opponent will be Calumet Farm's Yorky, who beat the Florida-bred by a neck in the recent Widener and will carry 121 pounds in the Gulfstream "cap."

Others in the race include Jacob Sher's Sherlock, Jack J. Dreyfus Jr.'s Beau Purple, Mrs. Raymond Farm's Garvol, and the Brae Burn Farm's entry of Jay Fox and the mare, Shirley Jones.

Manuel Yeaza will ride Carry Back, replacing Johnny Sellen, who was on the Jack Price-trained horse in his last 23 races.

Gross value of the race is \$112,800 and net to the winner \$72,800.

Delvin Miller, who won the Hambletonian last year with Harlan Dean, is tutoring Spry Rodney, an ace filly, for the event this year.

## WAKE FOREST, WILDCATS IN EAST FINALS

By GORDON BEARD

COLLEGE PARK, Md. (AP)—Wake Forest and Villanova, a pair of scrambling teams with tenacity under pressure, meet tonight in the championship final of the NCAA eastern regional basketball tournament.

Wake's demon Deacons, Atlantic Coast Conference titlists, were extended into overtime for the second consecutive tournament game before piling over St. Joseph's of Philadelphia 96-85 in Friday night's semifinal round.

Then Villanova's Wildcats, in the nightcap of an exciting doubleheader before 11,700 fans in the University of Maryland's Cole Field House, overcame a 12-point deficit and upended New York University 79-76.

### SECOND OVERTIME

Coach Bones McKinney, limp after Wake's 11th straight triumph and second overtime contest in five nights, said if his team "didn't stop this stuff, they'll make an old man out of me."

Noting the Deacons exploded in the extra five-minute periods to whip Yale by 10 points and St. Joseph's by 11, McKinney said "I wish we could start the games in overtime."

St. Joseph's, champs of the Middle Atlantic Conference, had a chance to duplicate its 1961 eastern regional victory over Wake Forest. But Billy Hov missed a free throw for the Hawks with 13 seconds remaining and gave the Deacons a final chance.

### 22 POINT IN OVERTIME

Billy Packer, Wake's 5-foot-9 speedster, tied the score at 74-74 on a 21-foot shot with 4 seconds left to play. Then, in overtime, Wake poured in 22 points and rolled up an 86-74 lead before St. Joseph's scored.

Len Chappell, the 6-8 All American, "oppe" Wake in scoring as he has done in every other game this season. He had 34 points. He also led his team with 18 rebounds and 4 assists and earned from McKinney the tag of "the greatest player I ever coached."

Tom Wynne paced St. Joseph's with 26 points, but made only one basket during the final 7 minutes of regulation play and a meaningless field goal in the overtime period.

### WHITE STARS AGAIN

Villanova had its own super-star in Hubie White, who scored 41 of 31 points in the final 3 minutes as the Wildcats overcame NYU's 72-68 advantage in the battle of at-large selections. Barry Kramer topped the Violets with 26 points.

Coach Jack Kraft of Villanova raved over White's performance, which included 23 points in the second half, but said "This was just a regular game for Hubie."

Villanova proved the basketball adage that the percentage of shots made doesn't mean as much as the percentage of baskets made each trip down the floor on offense.

The Wildcats connected on 43 per cent of their shots, compared to NYU's 59 per cent. But Villanova made 22 more attempts (71-49), several times recovering a half dozen wild shots before finally scoring.

### 93 ARMY MEN

The propeller-driven plane, with a crew of 11 Americans, left Travis Air Force Base in northern California Tuesday carrying 93 U.S. Army men and three South Vietnamese bound for South Vietnam. The Army men reportedly were to join the U.S. forces bolstering the South Viet Nam government's fight against the Communist Viet Cong guerrillas.

The plane made scheduled refueling and service stops at Hawaii, Wake Island and Guam. It was last heard from 270 miles west of Guam, when the pilot radioed a routine message without a hint of trouble.

After fruitless flights Friday, officials tripled the search area and pressed nearly 100 planes and nine ships into systematic crisscrossing of more than 250,000 square miles of calm Pacific waters.

### 90 PLANES IN SEARCH

More than 50 planes from U.S. Air Force and naval installations in the Philippines and 40 more from U.S. bases on Guam scoured almost every conceivable path the pilot of the missing plane might have taken.

Flights were sent up during the night in hopes that flares would be sighted. None was seen. But nobody was ready to give up.

At Clark Field, Gen. Theodore R. Milton, commander of the 13th Air Force, said search and maintenance crews were "ready to work their heads off and the only way they'll stop is if they're ordered to."

A search plane sighted what was thought to be a life raft, the Air Force said, but it turned out to be a piece of driftwood.

## COLD WEATHER EASING UP

By THE ASSOCIATED PRESS

Cloudless skies promise a sunny St. Patrick's Day for much of the nation today and offered possible relief from a seige of unseasonably cold weather in several Northern states.

Temperatures skidded below freezing during the night in an area from the central Rockies to New England with readings in the 20s recorded as far south as Louisville and Kansas City.

Skies were clear over the Dakotas where temperatures dipped below zero Thursday night. Huron, S.D., reported 2 above at midnight, Aberdeen registered 3 degrees.

Most of the western third of the nation had partly cloudy to cloudy skies. Widely scattered showers dampened the Western plateau and Pacific Coast states. Showers also hit extreme southern Florida.

Snow flurries were scattered in the eastern Great Lakes area, the upper Ohio Valley and the northern Appalachians.

Readings were in the mild 40s and 50s in a narrow band along the Pacific Coast and from the southern Plain eastward through the Gulf states to the southern Atlantic coast. Some readings in the 60s were reported in extreme southern Florida, Texas and California.

## HOPES FADING AS ICE CHAMP

PRAGUE, Czechoslovakia (AP)—America's top hope, Mrs. Barbara Roles Pursley, was in fifth place and held only an outside chance for a gold medal today going into the finals of women's division, last title up for grabs in the World Figure Skating Championships.

Mrs. Pursley, a blonde, 20-year-old mother from Arcadia, Calif., failed to come up to expectations in the compulsory school figures Friday and fell far behind the leader, Sjoukje Dijkstra of The Netherlands.

Although a superb free skater—the competition scheduled today—Mrs. Pursley, bronze medalist in the 1960 Winter Olympics, appeared to be too far back to make up the deficit in the final.

A Czechoslovak brother and sister team, teen-agers Eva and Pavel Romanov, edged out favored Canadian and French teams Friday and took the ice dance title.

Dorothyann Nelson and Peter Killen of Lake Placid, N.Y., placed sixth and Yvonne Littlefield and Peter Bets of Los Angeles were seventh.

Nineteen persons were arrested in gambling raids by federal agents in Pennsylvania Friday.

Seventeen were arrested in western Pennsylvania and two in eastern Pennsylvania. Agents made simultaneous raids in western Pennsylvania in Pittsburgh, Millvale, Sewickley, and Whitaker in Allegheny County; Donora in Washington County; and Webster in Westmoreland County.

Two arrests were made in Philadelphia. They were part of a series of coordinated federal raids in more than 30 cities throughout the nation.

### FATHER, 3 SONS

Cresson O. Davis, chief of the Internal Revenue Service's Intelligence Division in Pittsburgh, said an alleged \$20,000-a-day numbers operation was uncovered with the arrest of Henry Katz of Pittsburgh and his three sons.

The 17 were arraigned before a U.S. commissioner on charges of failing to purchase the \$50 federal gambling tax stamp. They were released in \$1,000 bond.

Arrested in Philadelphia were Fred E. Block, 44, and Paul C. Blanco, 41. They were held in \$1,000 bail for a further hearing March 26 on charges of failing to buy the tax stamp.

Carl F. Wagner, chief of the IRS Intelligence Division in Philadelphia, said notes on race results and two telephones were found in Block's house. Agents said they found wagering records in Block's pocket.

## Mount Goes For NCAA Title Tonight

### After Pfeiffer's Last Second Shot

### Trips Southern Illinois Five 58-57

A 20-foot shot by Eddie Pfeiffer, 5-9 Junior, that connected as the buzzer sounded, gave the Mt. St. Mary's College basketball team a thrilling 58-57 victory over Southern Illinois Friday evening in a NCAA small college semifinal game at Evansville, Ind., to send the Mountaineers into the championship game tonight with Sacramento State.

Sacramento nipped Nebraska Wesleyan 74-73 in double overtime in the other semifinal contest.

Pfeiffer turned in a dazzling all-around game with his brilliant ball-handling, dribbling and rebounding, and climaxed his performance with his game-winning shot.

#### FAIRY-BOOK FINISH

Entering the final minute of play the Mount led 56-53. Ed Spila of Illinois landed a pair of free throws with 31 seconds left. Jim Gaudoni intercepted a Mount pass seconds later and fired a pass to Roy Linder who went under the basket to send his team ahead 57-56 with 20 seconds remaining. At the five-second mark a jump ball was called. Jack Campbell, substituting for Dave Samuels who missed the game due to a thigh injury sustained Thursday night, grabbed the ball and fired to Pfeiffer who cut loose with his game-winning toss.

It took a superb effort on the part of every Mount player to overcome their taller opponents who are coached by Harry Gallatin, former New York Knickerbocker star and who will pilot the St. Louis Hawks next year in the NBA.

The Mounts sorely missed Samuels but received a fine performance from Campbell who hit well from the corners. In addition Jack O'Reilly, the team's top rebounder and scorer, fouled out with 3:05 left and the Mount holding a scant 52-51 margin.

Mt. St. Mary's got off to a 6-2 lead in the first five minutes of play but its opponent finally moved ahead 11-9 after 9:30. The score was tied at 15-15 and 17-17 before a run of seven straight points gave the midwesterners a 24-17 advantage with 4:07 left in the half. Jim Phelan's outfit got back into contention in the final two minutes of a pair of fouls and goal by O'Reilly and a free toss by Pfeiffer, trailing only by 30-26 at intermission.

#### CLOSE ALWAYS

A pair of long set shots by Maloney pushed the Mount ahead 37-34 after 4:30 minutes of action and they never trailed until the final 20 seconds. The score was knotted at 40-40 and 43-43 and the Mount lead was never greater than three points, for the most part being but one.

Pfeiffer wound up with 17 points, O'Reilly 14 and Campbell 13. Ed Spila rimmed 15 and Dave Henson 14 for the losers.

The victory was the ninth straight for the Mount who now sport a 23-6 record. Sacramento State has an overall mark of 21-9.

## SWEDEN NEARS HOCKEY TITLE

DENVER (AP)—Nothing but a reversal of ice-shattering proportions stands between Sweden and its first world hockey championship since 1957.

The smooth, poised Swedes, already conquerors of the United States and Canada, struck early and late to subdue a scrappy Norwegian team Friday night 10-2. Now only West Germany blocks undefeated Sweden's road in a game at the Denver Coliseum tonight.

The U.S. team jumped into second place, with 10 points to the Swedes' 12, by trimming Switzerland 12-1 Friday night. The American 5-1 record undoubtedly will be matched by Canada's defending champions after they play crippled Great Britain in Colorado Springs tonight.

This set up the Canada-U.S. tussle for second place—assuming Sweden defeats West Germany. In a televised game in Colorado Springs Sunday at 1:30 p.m. EST.

Youngest player on the roster of the Houston Colts is Don Ritch of North St. Paul, Minn. He turned 19 this winter. He is a southpaw who pitched for North St. Paul High last spring and then won one of three decisions for Jacksonville in the Class A Sally League.

## Steers Defeated By Saints, 120 To 96

SAN FRANCISCO (AP)—The San Francisco Saints upset the league-leading Kansas City Steers 120-96 Friday night despite the 28-point performance by the Steers' Bill Bridges.

However, Kansas City already has clinched first place in the American Basketball League's Western Division for the second half. The Steers won the league's first-half playoff.

Bridges was the game's high point man with 28.

No other ABL games were scheduled.

## TITANS PLAY IN NAIA FINAL

By SKIPPER PATRICK  
Associated Press Sports Writer  
KANSAS CITY (AP)—The nation's No. 1 and 2 ranked small college basketball teams—Westminster (Pa) and Prairie View A&M—met for the 25th National Intercollegiate (NAIA) basketball championship tonight.

The Westminster Titans (26-2), featuring Little All America Ron Galbreath, a near-perfect control game and balanced scoring, reached the championship finals for the second time in three years by beating a good Southeastern Oklahoma team 54-45 Friday night.

Prairie View A&M (26-3), ranked No. 1 nationally most of the season before Westminster got top billing in the final poll this week, whipped Western Illinois 80-68 with a crushing second half attack.

Westminster lost in the 1960 finals to Southwest Texas State and in the semifinals last year to eventual-champion Grambling (La.).

#### HIT 51.4 PER CENT

Westminster pulled away in the late minutes of the first half for a 29-22 lead by the intermission and never let Southeastern Oklahoma get back in the game. Warren Sallade, a 6-4 front liner, made 19 points for the Titans. Bob Douds aided with 13 and Galbreath with 11.

The Titans hit with 51.4 per cent accuracy from the field, 18 of 35, and made 18 of 23 free throws.

#### CAGER GETS LETTER

Chester G. Schultz, son of Mrs. G. R. Schultz, 76 E. Broadway, has recently been awarded a "2M" letter in varsity basketball at Mercersburg Academy.

Carlisle High, South Penn and District 3 cage champion, was knocked out of the PIAA playoffs Friday evening at Hershey when Norristown, District 1 titlist, breezed to an easy 79-53 decision.

The loss was the first for Carlisle this year, the Thundering Herd having previously rolled to 23 straight victories. Norristown is now 19-4 and meets the winner of tonight's Nanticoke-Catasauqua game in the Farm Show arena, Harrisburg, next Wednesday for the eastern regional title.

Norristown built up a 41-17 lead at half time and coasted through easily.

## Warriors Spank Syracuse 110-103

History won't repeat in the National Basketball Association playoffs this year.

Just a year ago, the Philadelphia Warriors met the Syracuse Nationals in the semifinal round. The Warriors were heavily favored. Instead, the amazing Nationals won the series in three straight.

The same two teams clashed again Friday night in Philadelphia in the first game of the semifinals. This time, the Warriors whipped to a 110-103 victory to take a 1-0 lead in the best-of-five series.

In the other semifinal Friday night, also the first of a best-of-five series, the Detroit Pistons fought off the Cincinnati Royals 123-122 in Detroit.

BREAKS TWO RECORDS  
NEW HAVEN, Conn. (AP)—Dick McDonough, a 19-year-old Villanova sophomore, broke two meet records Friday night in the Eastern Intercollegiate swimming championships. ## BOBBY SHANTZ HURLS 3-HIT BALL FOR COLTS

By MIKE RATHET  
Associated Press Sports Writer

Veteran pitcher Bobby Shantz, at 5-foot-6 1/4 one of the little big leaguers, is a towering figure at the Houston Colts camp, where he has turned in the most impressive report card among 20 hurlers bucking for jobs with the new National League club.

Making his second appearance of the spring, the 36-year-old southpaw plucked from Pittsburgh in the expansion draft hurled six innings of runless ball and allowed only three scratch singles as the Colts belted the Boston Red Sox 9-1 in an exhibition at Scottsdale, Ariz., Friday.

Shantz, most valuable player in the American League when he posted a 24-7 record for the Philadelphia Athletics in 1952, is the senior member of the Colts' mound crew but could be a valuable asset for Manager Harry Craft in Houston's first year of operation.

#### HAD 6-3 WORK

A poised, smooth pitcher with a career won-loss record of 105-86, Shantz has a low lifetime earned run of 3.48 for 14 seasons. He had a creditable 6-3 mark with a 3.34 ERA in relief with the Pirates last season.

Bob Bruce, American League castoff acquired from Detroit, worked the last three innings for the Colts to complete a six-hit game. Home runs by Bob Aspromonte and Jim Pendleton 37 gave Houston its third win in seven games.

Chicago's White Sox and Cubs continued win streaks each taking their fourth in succession. The Sox defeated Kansas City 10-7 at West Palm Beach for their sixth triumph in seven games and the Cubs edged San Francisco 8-7 at Mesa.

In other games, St. Louis bopped Milwaukee 8-6 at St. Petersburg. Cleveland walloped the Los Angeles Angels 10-2 at Tucson. Cincinnati beat the New York Mets 5-3 at Tampa. Washington beat Minnesota 5-2 at Pompano Beach and Baltimore defeated the Los Angeles Dodgers 9-4 in a night game at Miami.

#### TWO GAMES CANCELLED

The New York Yankees-Pittsburgh and Detroit-Philadelphia games were canceled due to rain and wet grounds.

Rookie Bob Farley and Floyd runs apiece, as the White Sox tagged A's starter Norm Bass for eight runs in the first two innings. The Cubs scored five in the first on a two-run homer by Billy Williams and a three-run shot by George Altman.

The Reds snapped their slump, beating the Mets on home runs by Frank Robinson and Gordon Coleman while Jim O'Toole and Bill Henry spaced nine hits.

The Orioles won their first in five starts with five runs in the eighth on key singles by Earl Robinson and rookie John (Boog) Powell plus two errors by Dodgers shortstop Maury Wills.

## NFL To Present Defense In Suit

BALTIMORE (AP)—The National Football League will present its defense Monday in the American Football League's \$10 million antitrust suit against the senior circuit.

Judge Roszel C. Thomsen of U.S. District Court recessed the trial Thursday after hearing two days of arguments on a motion by the NFL to dismiss the case. The NFL contended the AFL failed to prove it had been injured by expansion of the older league into Minneapolis and Dallas.

Judge Thomsen, who is hearing the case without a jury, said he will rule Monday on one legal point and reserve opinion on the other motions while hearing the NFL side.

He said he will decide Monday whether Oakland is entitled to any part of the damages sought by the new league. The AFL granted Oakland a franchise in 1960 after Minneapolis joined the NFL.

## F. PATTERSON, LISTON FIGHT NEXT SUMMER

By JIM BECKER  
Associated Press Sports Writer

NEW YORK (AP)—"I don't think there's nobody in the world as good as myself."

Charles (Sonny) Liston, dripping confidence and contempt, had that comment on the fight he will have next summer with champion Floyd Patterson for the world heavyweight title.

They signed the contracts Friday for the fight, which could be the richest of all time. The promoter, Tom Bolan, predicted a gross of at least \$6 million. There will be no live television.

Bolan said six cities, New York, Chicago, Philadelphia, Los Angeles, Washington and Seattle were under consideration as the site, which will be picked by Patterson.

#### ALSO PICK DATE

The champion will also pick the date and announce it within a month. It will be not earlier than June 18 nor later than Sept. 30. "Seattle has offered us a \$1-million guarantee to hold the fight in connection with the World's Fair," Bolan said. "We will explore all possibilities and take the one giving us the best deal."

Liston made it clear at the signing ceremonies that he thinks he is getting a bad deal. He signed for 12 1/2 per cent of the gross. Patterson gets 45 per cent of the live gate, and 55 per cent of the other rights, plus the right to dictate time, place and promoter for a return match if Liston wins.

Liston already is listed a 7-5 favorite. Patterson said that didn't bother him. "The odds were 2-1 against me in the second Johnson fight," the champion said. "I hope to make the experts look bad again."

#### "ABOUT FOURTH ROUND"

Liston said he planned to change the champion's mind about that about the fourth round.

Patterson said he expected to weigh about 191 or 192 some three or four pounds heavier than he did in his last title defense against Tom McNeely Dec. 4. Liston's last outing was on the same date, in the other half of a closed-circuit television doubleheader. He weighed 212 1/2 in knocking out Albert Westphal of Germany in the first round.

Both fighters are 27. Patterson, born in Waco, N.C., is the only heavyweight champion ever to regain the crown. He did it by knocking out Ingemar Johansson of Sweden in June 1960, after being knocked out himself the year before. His only other loss was an eight-round decision to Joey Maxim in 1954.

Liston, an Arkansas-born Philadelphian, has not lost since 1955. He has won 33, 24 on knockouts.

## Indians Clinch East Title In AHL

By THE ASSOCIATED PRESS

The Springfield Indians, champions of the American Hockey League for the last two seasons, have taken the first major step toward an unprecedented third straight championship.

The Indians clinched the Eastern Division title with a 4-1 triumph over second place Hershey in the only league game Friday night, and now awaits the playoffs for another title.

The Indians won both the regular season championship—before the league was divided into divisions—and the playoffs for the last two seasons, the only team ever to accomplish the feat in the AHL.

Springfield secured the division title with its 28th victory in 31 starts on home ice this season. Center Dennis Olson and Kent Douglas topped in first period goals for the winners, while Floyd Smith got his 41st and Bruce Cline his 36th in the final period.

Bill Kirela had one assist and moved two points ahead of teammate Bill Sweeney in the league scoring race. Kirela has 91 points, Sweeney 83.

Myron Stankiewicz got the only Hershey goal.

## 3 SEMIFINAL GAMES SLATED THIS EVENING

By THE ASSOCIATED PRESS

The torrid race for the PIAA Class A basketball crown moves into its final countdown tonight with three big semifinal battles taking the spotlight.

Defending champion Nanticoke, winner of Dist. 2 honors this year, takes on Catasauqua of Dist. 11 in an eastern regional match at Harrisburg.

The winner will tangle with Norristown (Dist. 1) for the eastern regional title Wednesday.

In the other two Class A contests, Uniontown (Dist. 7) clashes with Altoona (Dist. 6) at the Pitt Field House and Pittsburgh Fifth Avenue (Dist. 8) meets Meadville (Dist. 10) at Westminster College in western semifinals.

The winner of the Uniontown-Altoona game rules a heavy favorite to cop the western crown at the Pitt Field House Wednesday night.

#### CARLISLE LOSES

Altoona has never won a state championship. Uniontown was state "A" champ last in 1925.

Norristown stamped itself as a leading contender for the coveted title by whipping previously unbeaten Carlisle 79-53 Friday night at Hershey. The winners, sparked by Don Cartwright and Jim Williams, built up a 41-17 halftime bulge, then coasted the rest of the way for the victory.

Cartwright pumped in 24 points and Williams added 20. It was the first loss in 24 games this season for the Thundering Herd. Dist. 3 champs.

In other games Darby (Dist. 1) walloped Hempfield (Dist. 3) 71-57 at Upper Darby, Mansfield (Dist. 4) edged Montrose (Dist. 12) 43-41 and Edgewood (Dist. 7) beat Richland Twp. (Dist. 6) 53-45. All three games were Class B regional semifinals.

## Fat Pigs At Eight Weeks Become More Profitable From Then Until Market

By FRANK S. ZETTLE  
Adams County Farm Agent

The more a pig weighs at eight weeks of age the more profitable he will be from then on to market. These pigs will grow faster, and will grow with less feed.

To produce heavier pigs at eight weeks of age the sows' milk must be supplemented by creep feeding some dry feed.

Normally, feeding these pigs a prestarter (19-20 per cent protein) is done when they are a week to 10 days old. Feed this prestarter in a flat pan so the pigs can get in and walk through the feed. This may sound odd, but little pigs will start eating earlier if they can get in with the feed. Continue feeding this prestarter until the pigs are becoming accustomed to dry feed. This is usually after they have eaten about four pounds of FRANK S. ZETTLE the prestarter.

**USE SMALL TROUGHS**  
At this time gradually mix in a (17-18 per cent protein) starter and feed it until the pigs weigh about 25 pounds. This starter can be fed in small troughs. It is wise to have water available when the little pigs are beginning to eat the dry feeds.

From the time pigs are weighing about 25 pounds to 75 pounds a 16 per cent protein grower can be fed. The pre-starter and starter are commercial feeds, but the grower feed can be mixed by us.

**TOPDRESS WHEAT**  
Research tests and extension fertilizer demonstrations usually have shown wheat yield increases

range from 6 to 12 bushels or more per acre from topdressing of 20 to 40 pounds of nitrogen per acre.

In a Fulton County wheat variety demonstration containing four varieties, half of each variety was topdressed in early spring with 30 pounds of nitrogen per acre. Without topdressing the varieties averaged 25.1 bushels per acre. The varieties topdressed averaged 37.5 bushels per acre, for an average increase of 12.4 bushels per acre at a fertilizer cost of about \$4.00 per acre.

If wheat is to be seeded to grasses and legumes topdressing should be at a rate of 20 pounds of nitrogen per acre. If wheat is not to be seeded to grasses and legumes, the recommended rate is 40 pounds of nitrogen per acre.

The best time to top dress wheat is in early spring. Do not topdress wheat if lodging of wheat has occurred on the field in past years.

## Orrtanna

**MRS. LUTHER WETZEL**  
ORRTANNA—Mrs. Freda McClellan was hostess to the Friends Circle Class of the local Methodist Church School for its monthly get-together at her home here Wednesday evening with eight members present.

It was announced that \$41.23 was cleared from the rummage and bake sale held in the GAR rooms, Gettysburg, Saturday.

The Bible study was from Exodus chapters 19 to 26. Plans were made for an Easter egg hunt for children of the community near Easter Sunday. The date will be announced later. The gift box donated by the hostess was guessed by Mrs. Irene Stansbury.

The meeting closed with the Mizpah benediction. Refreshments and a social hour followed. The next meeting will be held April 11 with Miss Pauline Deardorff as hostess at her home here at 7:30 p.m.

Miss Sandra McClellan was an overnight guest of Miss Trudy Naugle, Fountaindale, after both Miss McClellan and Miss Naugle attended the subdistrict MYF meeting of Methodist Churches held at St. Thomas.

## FARM CALENDAR

**Nitrogen Helps Grass**  
Nitrogen applied to bluegrass pasture before the grass begins to grow will give it a running start, declares Wayne Hinsh, Penn State extension agronomist. He says bluegrass treated with nitrogen will be ready for pasturing about two weeks earlier than grass not so fertilized.

**Prune Shrubs** — If you have any shrubs that have never been pruned and have a lot of dead wood, A. O. Rasmussen, Penn State extension ornamental horticulturist, urges drastic action: Cut the whole shrub off two or three inches above ground and fertilize with two handfuls of 5-10-10 worked into the soil and watered well.

**Buy Best Seed** — Farmers who plan to buy seed are reminded of two important facts by Clarence Bryner, Penn State extension agronomist: Select the varieties tested and proven superior in Pennsylvania, and then buy the high-quality seed of those varieties.

**Tree Seedlings Need Care** — Tree seedlings must be kept moist from the time they leave the nursery until they are planted, explains E. P. Farrand, Penn State extension forester. He emphasizes that a good root system is essential to successful planting, so if the roots dry out rapidly they will be injured.

**Plan Hay Drying** — A mow hay drier can't be installed overnight. That's why Joseph McCurdy, Penn State extension agricultural engineer, says the time to plan for the installation is when the hay season is still a few months away. A barn hay drier helps beat the weather, cuts down leaf losses, and increases total digestible nutrients.

Mike Peppe of Ohio State is dean of the Big Ten swimming coaches. He became the Buckeyes' first swimming coach in 1930 and has held the post ever since. Northwestern's Bill Peterson is next in point of service. He joined the Wildcat staff in 1944.

## Newspapers Going Down In Numbers

**PITTSBURGH (AP)** — The nation's metropolitan newspapers have gone down in number in recent years, but have gone up in equality, the publisher of the Pittsburgh Post-Gazette says. Publisher William Block, addressing a public affairs forum here said, "Newspapers have improved greatly. They have made strong efforts to improve the personnel and to create a stability of employment that did not use to exist."

Commenting on the thinning out of the newspaper ranks, he said, "One can lament the loss of competition, but until new developments in printing equipment are made there are not likely to be any new metropolitan newspapers."

He blamed the decrease on a combination of factors. On the one hand there has been a steady rise in the costs of labor and newsprint. On the other hand, newspapers lost advertising revenue, first in the depression, then to radio, and more recently to television.

**TRIPLE EFFORT**  
**NEW YORK (AP)** — George Panetta, an advertising writer by day and dramatist by night, is involved in triple-trip script effort.

At the top of his file is preparation of a tune show, "The Comic Strip Musical," based on a successful off-Broadway venture of three seasons ago. Also in the works is a revamped version of a trout flop, now rechristened "Kiss Mama."

The third item is "The So-Called Human Race," a comedy.

# India Asks U.S., Russia To Start Negotiating Two Rival Disarmament Plans

By JOHN M. HIGHTOWER  
GENEVA (AP)—The 17-nation disarmament conference called on Secretary of State Dean Rusk and Soviet Foreign Minister Andrei A. Gromyko Friday to start prompt informal negotiations on their rival disarmament plans.

The move, proposed by India, came in the third session of the conference after Brazilian Foreign Minister Francisco S. Thiago Dantas urged the nuclear powers to carry out negotiations to the extreme limit of compromise. He said the smaller nations can play an important role in seeking compromise by negotiation.

With much formal speechmaking remaining and the foreign ministers expected to be in Geneva only about a week more, Indian Defense Minister V. K. Krishna Menon urged that Rusk and Gromyko as well as other delegation leaders waste no time in getting together for informal talks.

Rusk, who supported Menon's suggestion, met with the Indian delegation head immediately after the conference session.

Conference prospects suffered a blow Thursday night when the Soviet Union rejected President Kennedy's terms for a test ban. Resumption of U.S. nuclear weapon tests in the atmosphere next month appeared inevitable as a result.

The Soviets once more refused

to accept foreign inspectors on their territory to check against violations of a test ban. They appeared certain to maintain this opposition to international inspection where all other disarmament measures were concerned.

## ALLIES ADAMANT

The Western powers were just as adamant in their refusal to disarm without international inspection of the Soviets. Without a break in the East-West deadlock over inspection measures, top Western diplomats saw no hope for progress—but they intended to keep on trying, for weeks or months, if necessary.

Moscow's answer to Kennedy's test ban proposal was given Thursday night by Soviet Ambassador Semyon K. Tsarapkin. The U.S. President announced two weeks ago he had ordered a new atmospheric test series to begin in late April but would cancel it if the Soviet Union would agree to ban all tests under an international inspection system.

HARRISBURG (AP)—Some \$29,346 headed for 21 hospitals in Pennsylvania Friday to aid in medical care for the aged under the federal Kerr-Mills program.

The initial payments were approved by the State Welfare Department Thursday. The 21 hospitals receiving the payments were

## NEWLYWEDS FATALY SHOT

ASHLAND, Ky. (AP)—A young couple, secretly married for a month, was shot to death in their car parked in a secluded area near this eastern Kentucky town.

Brenda Lou Fraley Howard, 17, a senior honor student at Ashland High School, and her husband, Donald Ray Howard, 19, of Kenova, W.Va., will have a joint funeral Saturday.

The couple, secretly married Feb. 17, apparently was attacked late Wednesday night.

A police detective, Billy Joe Van Hoose, said his staff had turned up no clues.

Mrs. Howard was found, mortally wounded, by two fishermen. She was in the back seat of Howard's auto. Howard was in the front seat, dead. Police said he apparently had been trying to get a pistol which was found in the glove compartment, unfired recently.

"It looked like a gunman opened the door and sprayed the inside with bullets," said Van Hoose.

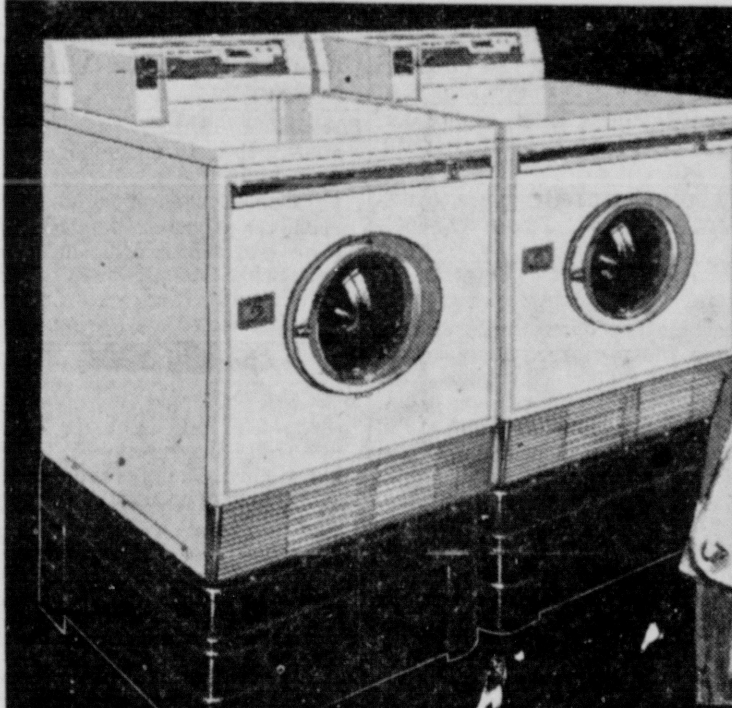

Boston City Hall Burnham, who once taught sculpture at Harvard, was born in Ningham, Mass.

PHOENIX, Ariz. (AP) — Harold M. Stratton, 83, a Milwaukee industrialist, died Wednesday. He was chairman of the Stratton Grain Co., vice president of Briggs & Stratton Co., and a director of an insurance company and bank in Milwaukee.

# Bob Fuller, Star Of "Laramie" Makes Big Hit With Japanese

By PAUL GERARD

In 1950 when Bob Fuller was only 17 years old he had advanced himself from usher in a Hollywood theater to assistant manager. His future in the business end of show business seemed assured. However, Bob was more interested in the front of the theater; his one desire was to be seen on the screen — not in the lobby.

He tried desperately during this time to get a card to work

When he visited Osaka, a crowd of 500,000 turned out to meet him. "I knew the show was doing well there," he says, "but my own popularity was embarrassing."

## LARAMIE CLUB

Thousands were on hand to greet him at the airport despite an after-midnight arrival. Fans formed a Laramie Friends Club that soon boasted 90,000 members who paid \$1 each for a Laramie hat, badge and booklet, with all

"One room of it will be devoted to housing the 3,000 gifts I received after my last trip," he says.

Although it was most exceptional, Bob's popularity in the United States is in no way dwarfed by Japan's. Along with his spectacular rise from usher to star came a host of fans in his own country.

## FALSE SIDEBURNS

Bob says he owes his spectacular climb from the extra ranks to

Bob Fuller, costar of "Laramie," is very popular in Japan.

as a screen extra, and through sheer persistence and a little help from his father, who was then a dancing instructor, he landed a job as a dancer in a musical.

Eleven years later, after scores of minor parts in movies and TV and a hitch with the Army in Korea, Bob has become one of Hollywood's busiest personalities.

## FAME SKYROCKETS

His role as an unpredictable saddle tramp, Jess Harper, in the NBC-TV Network's Western-Adventure series, "Laramie" has skyrocketed him into an international personality.

Last year in Japan he drew the largest crowds and received more honors than any TV personality before.

Because "Laramie" had become so popular in Japan, Bob traveled to the island nation to meet his new fans. Even though his popularity there was known to him beforehand, he never expected to find the overwhelming receptions everywhere he visited in the country.

proceeds deposited in Japanese and earmarked for charities.

Grateful for his warm reception, Bob put on two two-hour shows in the Tokyo gymnasium, drawing capacity crowds of 10,000 for each, with proceeds again going to Japanese charities.

In appreciation of his fund-raising, government officials honored him with the Golden Order of Merit, highest award of the Japanese Red Cross, presented in the name of the emperor. To that they added the Heibon Award for the best actor of the year.

## TO ACT IN JAPAN

"They relate our cowboys to the old samurai warriors," he says.

Present plans call for him to make a feature film there next March. It will be made by a Japanese company and his part will be dubbed in Japanese.

Further expression of his warm regard for Japan and her people will come when he builds a new home.

an allergy to false sideburns, while working as an extra in the motion picture, "Friendly Persuasion," Bob grew his own sideburns. The director gave him a featured part in the film because Bob's sideburns "looked so real." From then on, it was a steady climb.

He played the heavy lead in "Teen-age Thunder," followed by one television show after another.

During the first quarter of 1959, he had leads in 10 top TV film and starring roles in two major features — plus the "Laramie" series.

## WAR AGAINST SHARKS

A one-time stunt man, Bob is waging a personal war against sharks menacing West Coast bathers. On weekends, in skin-diving regalia — he harpoons them and has even killed sharks with bow and arrow, standing in the surf. He also gets a kick out of hunting mountain lions as a lone bowhunter, busting bronses and bulldogging in rodeos, practicing judo, fencing in competi-

## TV Briefs

Paul Peterson, Jeff Stone in the "Donna Reed Show," is anxious for the 1962 baseball season to begin. Don Drysdale, who worked in one episode of the show, gave Paul a few pitching pointers that he is eager to try on his gang.

Nick Dennis, who plays the orderly in "Ben Casey," is called Nick Kanavaras in the show. This happens to be his real name — from the original Greek.

Walter Brennan borrowed this birthday greeting idea from "The Real McCoys" show that opened the 1961-62 season for the ABC-TV series.

He wires friends: "I hope you tion and staging phony fights with his friends in barrooms.

A bachelor, Bob lives with his parents, calls his father his best friend and often goes on double dates with his parents.

Handsome Bob is 5' 11", has blue eyes, dark brown hair and drives a white Thunderbird.

JOHNNY CARSON, host of ABC-TV's "Who Do You Trust," advises budding TV performers: "Work. Take every opportunity you can get to be in school plays, everything and anything. You can't start off as a star, like some kids dream about doing. You have to begin somewhere. Work with church groups, the Elks, Masons, Moose, all small organizations in your town. . . which is what I did."

JACK BAILEY, host of ABC-TV's "Queen for a Day," about women. "It's the little things that really count with the ladies. If a man keeps things simple, but avoids the ordinary, he's bound to make a big hit with his gal. If he meets a little boy selling violets and takes home a bunch — well, he can't help making a good impression."

## CLU GULAGER

As if he isn't busy enough, Clu Gulager, Billy the Kid of "The Tall Man" series, is setting his sights on what he likes to call, "Clu's projects for the future." The most serious and important one has to do with the popular TV star's ancestral heritage. He is of Indian (Cherokee) and Danish origin.

"My people came to Oklahoma on the Trail of Tears," he will tell you. "There's a great history behind them; one I'm going to put on the screen some day."

"It was when Andy Jackson was President that all the Indian tribes in the South were forced to march to the badlands on a mass migration," he explains.

"There were thousands and thousands of men, women and children died along the way and had to be left where they fell."

"It's one of the tragic chapters in our glorious history," he continues, "comparable to the Salem witch trials, and one that has never been properly told."

"It's my hope to tell it the right way — on the screen, when the timing is right," he said.

"I feel more dedicated to this project than any of the others. It's a must for me in the future."

have breath enough to blow out all the candles on your 100th birthday cake."

In the "Back to West Virginny" episode last September, Jane Darwell, playing a centenarian, accomplished this feat.

Nick Georgiade, one of Bob Stack's "Untouchables," offers this tip to amateur photographers and subjects about to have their picture snapped:

"Wet your lips before the lens clicks," says Nick, "it will bring them out better in the picture."

Whitey Ford accounted for nearly 23 per cent of the Yankees' 109 victories in 1961. He won 25 games.

## RUSSIA ORBITS NEW VEHICLE

MOSCOW (AP)—Soviet Premier Khrushchev announced Friday the Soviet Union has launched a cosmic vehicle and that it is in orbit. He was addressing an election meeting.

The satellite was launched with the view of continuing the Soviet program of outer space research, he said.

Khrushchev made the announcement in a completely offhand manner while a scientist was speaking at the meeting in the Kremlin.

The scientist, Alexander Yshinsky, commented "We are launching cosmic rockets" and Khrushchev interrupted from his seat back of the rostrum.

"One was launched today at 3 o'clock and it is already in orbit," he said.

He did not specify whether it was 3 a.m. or 3 p.m. and Soviet sources were unable to say immediately.

Khrushchev made the announcement to a crowd of about 10,000 and it brought a quick cheer.

Checks with the Soviet news agency Tass and the Academy of Science failed to produce any additional information immediately.

The Tass editor simply said, "We just heard Khrushchev's announcement."

WASHINGTON (AP) — Another low yield underground nuclear shot with the blast equivalent of not more than 20,000 tons of TNT has been touched off in the Atomic Energy Commission's Nevada test site. Thursday's test was the 22nd announced in the current series.

# MRS. KENNEDY SAILS UP HOLY GANGES RIVER

By FRANCES LEWINE

BENARES, India (AP) — Jacqueline Kennedy sailed the holy Ganges River Friday past Hindu pilgrims and water buffalo bathing in the muddy waters and bodies burning on sacred pyres along the shore.

A servant uniformed in crimson and gold held a white silk parasol over Mrs. Kennedy's head as her 40-foot motor launch made a 65-minute cruise three miles up and down the river past the holy city which Hindus consider a gateway to heaven.

Ashore, temple bells rang. Hindu priests burned ritual incense and thousands of Indians gathered to watch America's First Lady pass. Others attended to the ceremonial cremations.

From the boat cruise she went to a factory where weavers make the silk for which Benares is famous, and paid a brief visit to nearby Sarnath where the lord Buddha reputedly preached his first sermon 2,500 years ago.

## BUYS SOME SILK

The proprietor of the silk factory said Mrs. Kennedy bought \$630 worth of silk, including five yards of loosely woven, natural-colored tussah for a jacket for the president, a length of dress

brocade for herself, a blue sari and two jeweled, brocaded handbags.

She also stopped briefly at a hotel which had spent more than 40,000 rupees, about \$8,400, redecorating rooms for her to stay the night in. But the U.S. Embassy plane which was to have brought her from Agra had engine trouble and she came by train, canceling

the overnight stay.

Mrs. Kennedy looked at the rooms and gave the hotel manager an autographed picture with a message saying his was one of the loveliest hotels she had ever seen.

Then she left by plane for Udaipur to spend the night in the white marble palace of Maharana Shri Bhagwat of Udaipur.

Thousands of Indians, held be-

hind bamboo railings, cheered Mrs. Kennedy as she walked down steps covered with purple carpeting to the motor launch provided by the Maharaja of Benares for the Ganges tour.

The first nuclear reactor on a college campus was installed at the North Carolina State College at Raleigh, in 1953.

Tom Bosley, who created the title role in the Broadway production of "Fiorello," flew to Hollywood to guest star in a segment of "The Law and Mrs. Jones" which returns to TV April 19.

While driving to the set of "The Donna Reed Show" in the rain recently, Carl Betz was vigorously splashed by another car. Carl looked out his rear window at the offender, and was startled to see the car bore the license number WET 436.
